Honorable Councilmember Reyes:

On January 13, 2009 the Planning and Land Use Management Committee will be asked to recommend the nomination of Griffith Park as a City of Los Angeles Historic-Cultural Monument. This is exciting news for the more than 12,000 people who have signed petitions to support preserving the unique urban wilderness of the Park. Attached is a list of the fifty organizations which have submitted letters of support for the HCM nomination which is recommended by the Cultural Heritage Commission.

I hope that you will take a few minutes to read the enclosed information about the nomination of Griffith Park and that you will vote to approve the nomination when it comes to Council.

If you have any questions, please feel free to call me at 323-660-1940.

Sincerely,

Marian Dodge, President
